Shade & Texture Index

Breeze Way has a Shade variation of V3.

V1

V2

V3

V4

V1 Uniform appearance
V2 Slight Variation
V3 Moderate Variation
V4 Substantial Variation

This porcelain tile product is produced with a V3 variation. While the colors and/or textures present on a single piece of tile will be indicative of the colors and/or textures to be expected on the other tiles, the amount of colors and/or texture on each piece may vary significantly. It is recommended that the range be viewed before selection.

Features and Benefits

Where Nature's Rhythm Meets Timeless Design
Step into a space that feels alive—where the movement of air across sunlit dunes is captured forever in porcelain. The Breeze Way™ Collection reflects the subtle ripples wind leaves in sand, offering a tactile connection to the natural world. This biophilic design invites serenity, warmth, and a grounded elegance into any interior.

Available in 12x24 and 24x24 field tiles, with complementary 3x3 mesh-mounted mosaics, a trapezoid mosaic, 4x24 bullnose, and 6x12 cove base, Breeze Way is as versatile as it is beautiful.

Recommended Uses

Breeze Way is recommended for interior floors, walls, counter tops and exterior walls in both residential and commercial applications. **If an offset pattern is required for tiles 18 inches or longer, PIXL recommends an offset of not greater than 33%.**

Easy-Clean Surface

This PIXL porcelain tile includes a proprietary surface finish that imparts a subtle glow, enhancing the color of the tile and allowing many stains and scuff marks to be easily wiped off the surface. This extraordinary finish helps keep your living areas looking their best.
