Shade & Texture Index

Native Rock has a Shade variation of V3.

V1

V2

V3

V4

V1 Uniform appearance
V2 Slight Variation
V3 Moderate Variation
V4 Substantial Variation

This porcelain tile product is produced with a V3 variation. While the colors and/or textures present on a single piece of tile will be indicative of the colors and/or textures to be expected on the other tiles, the amount of colors and/or texture on each piece may vary significantly. It is recommended that the range be viewed before selection.

Features and Benefits

Natural metal allure in rectified durable porcelain. Featuring six unique porcelain tiles finished with multiple glaze techniques, PIXL's talented artisans fuse materials into a product made for the generations. Create even more impact with the hexagon mosaics where porcelain and resin seamlessly combine into an extraordinary surface material.

The collection is enhanced by coordinating bullnose cove base trim available in all colors. Sustainably made in the USA, Native Rock offers a luxuriously creative approach you can feel good about.

Recommended Uses

Native Rock is recommended for interior floors, walls, counter tops and exterior walls in both residential and commercial applications. **If an offset pattern is required for tiles 18 inches or longer, PIXL recommends an offset of not greater than 33%.**

Easy-Clean Surface

This PIXL porcelain tile includes a proprietary surface finish that imparts a subtle glow, enhancing the color of the tile and allowing many stains and scuff marks to be easily wiped off the surface. This extraordinary finish helps keep your living areas looking their best.
